Galiso, Incorporated (800) 854-3789

www.galiso.com

Chris Storeng (800) 854-3789 x27

Galiso, Inc.'s Facility Production & Equipment Maintenance Training specializes in assisting you to maximize your production flow and throughput. By taking a "bird's eye view" of your overall facility we can find the obstacles preventing you from reaching your facility's full potential. Additionally, we will show you ways to maintain your equipment, set up regular maintenance schedules, troubleshoot, and identify spare parts to keep on hand.

Price for the Galiso, Inc. seminar is \$375.00. This price includes: training classes, lunch both days, BBQ dinner on Thursday and Galiso logo hat, shirt and coffee mug. You are responsible for transportation and lodging. Contact Chris Storeng, in Customer Service, for questions and to register for the Galiso portion of these seminars.
